- Our fantasy league has managed to stay highly active and engaged for over a decade because of the camaraderie among the members. Think of a time you have participated in a group – be it athletic, recreational, or professional – and describe how that experience has impacted who you are as a person.
- The CHFFL has been a “Keeper” league for two full seasons. A “Keeper” league is one in which owners are allowed to retain a set number of players from year to year. These systems can have a wide range of complexity and come with both benefits and drawbacks. Imagine you have just been put in charge of establishing a set of keeper rules for a fantasy league. Explain the basics of your rules, including details about the league itself as well as any additional measures you would implement to maintain the league balance.

The scholarship will be awarded at the discretion of the Selection Committee based on the criteria listed above.

Extra consideration is given to an applicant who plans on attending schools of which these scholarship donors are alumni (Allegheny College, Community College of Allegheny County, Grove City College, Penn State University, Robert Morris University, Slippery Rock University, University of Georgia, and Waynesburg University). The winner will also get a t-shirt with the CHFFL logo.
