Re: Seeking Bucks for Bucs 2024 5K Race and Fun Walk Sponsorships and Scholarship Donations
Race Date: April 6, 2024 @ 9am

Greetings!

The Bucks for Bucs Educational Foundation, Inc. expands the educational opportunities of Chartiers-Houston School District students through scholarships and educational grants. Through fundraisers and the generosity of community members like you, we've invested tens of thousands of dollars in our community. **We are currently accepting donations for 5K Race / Fun Walk Sponsorships and Scholarships. Can we count on your support?**

Scholarships

When you fund a scholarship, you can be assured:

- 100% of scholarship donations will be used to fund scholarships
- The scholarship will be awarded objectively and fairly
- The scholarship can be named as you request
- You will be recognized on www.bucksforbucs.org

Attached is a form you can use to sponsor a scholarship. We require full payment of the scholarship fund at the time you make your commitment. The application is available online at www.bucksforbucs.org/apply. You can see that we consider academic achievement, extracurricular activities including sports, community service and paid employment, and the applicant's essay. Once we have received all applications, a panel of adults without ties to the graduating class scores each application and we award the scholarships. Recipients are notified of their scholarships in June, and funds are distributed once we receive verification of enrollment in a post-secondary institution.

5k Race and Fun Walk Sponsorships

Our Bucks for Bucs 5k Race and Fun Walk will be held on Saturday, April 1, 2023. Donations will be used to fund the expenses of the race. Monetary donations that surpass the expenses of the event will further our mission of providing scholarships and educational grants within the Chartiers-Houston School District. We are also seeking donations of food and drinks, prizes for our raffle, and gift cards to be used either as prizes or to purchase food and drinks.

Sponsorship levels are below. For non-cash donations, sponsorship levels will be determined by the value of the goods donated.
